Believers Fellowship Service Groups

Service Groups at Believers Fellowship are an integral part of living out our mission statement: To glorify God by living and sharing the grace and truth of Jesus Christ. Jesus came as a servant and we are called to follow in his steps.

In the following pages you will find some fun but meaningful ways to show others Christ's love through serving. Some Service Ministries challenge us to serve humbly and quietly: like Kitchen Crew or the Memorial Service Ministry, while others allow us to use God's more boisterous gifts of gab or even your Donald Duck impression (think Nursery Volunteer!).

There is a place for everyone in service. Not only does it glorify God but it is another way to connect within our church. Our Service Group Leaders look forward to plugging you into a service ministry. Their contact information is at the bottom of each ministry description. Don't hesitate to contact them if you have questions or want to sign up to help out. If you are ready to join a group now, use the QR code below.

Welcome Desk

Have you been serving as a greeter and love to chat with church folks? Here is a unique opportunity in the same hospitality ministry that is specific to serving our visitors!

We will train you and provide a cheat sheet so that you can help answer questions about the church. You will be working alongside a BF staff member who can help with questions you can't answer. Have fun chatting & getting to know our church family!

Contact: Brooke Pearson, brooke@believersfellowship.net

Kitchen Crew

Volunteers serve the church by maintaining the kitchen area. If you don't mind using a little elbow grease, this is the ministry for you. About a one hour commitment every other month, depending on team size.

Contact: Emily Roy, emily@believersfellowship.net

Lord's Supper Sundays

First service volunteers set out bread and juice for first service. Second service volunteers restock and clean up on Sunday mornings.

Cathy Williams, cawilliams1000@gmail.com

Meals Ministry

Volunteers prepare and deliver meals for families with a need due to illness, new babies, hospitalization, etc. Not a cook? Delivered pizza, or pre-made, store-bought food is also appreciated by these families. Anyone can become involved with this ministry!

Contact: Cathy Williams, cawilliams1000@gmail.com

Memorial Service Ministry

Volunteers assist with setting up and cleaning up for memorial services at Believers Fellowship. Duties may include directing parking, setting out refreshments, or baking cookies. Services occur only a few times a year.

Contact: Becky Nelson, cbklnelson@gmail.com

Sunday Morning Coffee Team

Volunteers help out by making coffee each Sunday. Those at first service set things out while second service volunteers clean up. You pick which service you want to help with.

Contact: David McColgan, davidkmccolgan@gmail.com

Young Adult Ministry

Volunteers cheer our college-aged adults who are away from home by sending a care package out in the fall. The volunteers are assigned students to send notes or postcards out several times a year, and praying for them as often as you like. The students love the connection with "home."

Contact: ya@believersfellowship.net

Sunday Morning Greeters

Greeters provide the first contact people have as they enter BF on Sunday mornings. All you need is a smile to do this job. Greeters are one of the reasons people will see us as a friendly and inviting church. Depending on the number of greeters, you probably will be assigned a greeter job once every two months or so.

Contact: Joel Payne, joel.a.payne16@gmail.com

Groundskeeping

Volunteers help with occasional groundskeeping tasks when needed.

Facilities Team

Are you handy? Do you have a can-do fix-it attitude? Are you skilled at performing plumbing, electrical, drywall repair, and/or small engine maintenance? Or are you skilled at watching YouTube videos and figuring out how to fix stuff?

If so, we need your help. For many years we have had the luxury and honor of having our building maintained by dedicated members who have volunteered to maintain our building and the tools and appliances that keep it running. Believers Fellowship is looking for some new handy helpers to keep the church functioning at a high level.

Those familiar with box wrenches, channel locks, putty knives, and/or wire cutters have a unique gifting. We are working to put together a list of volunteers to assist with building maintenance that could be called upon to help perform simple maintenance and repair work, like fixing leaking faucets, repairing broken toilets, patching drywall and touching up paint as needed.

If you are looking for a way to serve that is out of the limelight and utilizes the above skills please sign up here and a deacon will contact you with more specifics. Many hands make light work and we are excited to share this very hands-on mission with several volunteers.
