THE GALA

GUATEMALA

March 7

July 5-12

February 26

On March 7 BFSM will be hosting our annual gala auction where our students will raise money for their mission trips this summer! The theme this year is "Tea Party" so put on your fancy coat and floral dresses for a wonderful night of supporting our students.

We are gearing up for Guatemala again as a group! We made terrific partners with Tree Ministries 2 years ago and students are so excited to be in Antigua again. Students can expect to help build a house, run VBS for kids, do some house visits and more! We can't wait to see Jesus move in Guatemala. Please reach out with any questions.

If you didn't know, our high school students have already been doing many impromptu worship nights throughout the year... This group loves worship! So we are planning a special worship night February 26th for students to experience. Stay tuned for more info :)
